# Our Sai Page

**The Sai legacy and we:** If we love and sincerely care for Swami, we need to sincerely care for His Message as well. And we can do that by internalising it and implementing it in our lives.

That's how we preserve His legacy - by living it; by being it!

-From the article "How to Continue the Legacy of Sri Sathya Sai"

By Aravind Balasubramanya of Radio Sai Team

## *Spiritual Endeavours Reveal My Reality*

I am content only when spiritual endeavours and disciplines to elevate and purify man are progressing everywhere. It is only through these that My universal reality will be revealed. So, do not limit Me to the boundaries of any one name and form. Your aim should be to see the self-same God in all the forms that are worshipped, to picture Him in all the names, nay, to be conscious of His presence as the inner motivator of every living being, in every particle of matter.

*- Baba*

### Certificate of Authenticity

It is certified that the facts and figures given in this 30<sup>th</sup> Annual Report of Sri Sathya Sai Gramin Jagriti are genuine and nothing has been overplayed or concealed therein.

The balance-sheet, statement of receipts & expenditures and the audit report, appended at the end of this report, are authentic and are duly certified by Chartered Accountant, Shri Ravinder Agarwal (088390).

Kamal Gupta  
(President)

Smt Shashi Sharma  
(Treasurer)

Dr Vinod Singhal  
(Secretary)

#### Please Note:

1. Sri Sathya Sai Gramin Jagriti is a registered society under the Registration of Society Act 1860 with **Registrar of Societies UT Chandigarh vide Registration No. 1733** Of 1990.
2. It is also registered with **NGO Darpan** (a Niti Ayog platform for NGO's), Govt of India with unique ID: **CHD/2017/0164642**
3. The society is registered with **Government of Haryana** for setting up a multi-dimensional integrated **Rural Empowerment Programme** in a phased manner at village **Darwa** of Jagadhari tehsil, District Yamuna Nagar, Haryana, INDIA 135103
4. The society has approval of **Government of India**, Ministry of Home Affairs for receiving foreign contributions **under FCRA** vide Reg.No. **291420016** dated 12-08-1992, revalidated on 29-10-2016 for five years.
5. Contributions made to **Sri Sathya Sai Gramin Jagriti** are eligible for income tax relief **u/s 80G** of the Income Tax Act; 1961. This exemption is valid for indefinite period, until specifically withdrawn by the Income Tax Department. Ref: **CIT-I/Chd/Tech/80G/2011-12/399 dated 28-04-2011.**

**OUR RESOURCES:**

BLESSINGS, GRACE AND LOVE OF  
BHAGAWAN SRI SATHYA SAI BABA

**WE HAVE A VISION:**

To spread the eternal Baba's message of - "Love all serve all", in a run up to realisation of "Brotherhood of Mankind and fatherhood of God" in the society in order to eradicate the hatred and intolerance towards each other.

**FIELD OF WORK:**

An integrated rural based project, providing basic needs of the society in the fields of Education, Health and Vocational Training.

## FOREWORDS

Every year, our Loving Lord Bhagwan Sri Sathya Sai Baba is sending HIS senior devotees to boost our morale and guide us in the Sai Mission at Darwa. Last year, we had the good fortune of hosting sister Karuna Sarup Munshi of Sri Sathya Sai Vidya Vahini Centre of excellence and this year too, we were very fortunate to have a powerful visit of Professor H J Bhagya and Mrs Rachna Bhagya to Sri Sathya Sai Gramin Jagriti Sewa Sadan. It was a memorable visit on many counts. The detailed report is inside.

It was a memorable visit on many counts. The detailed report is inside.

**Simran- a national champion girl:** The outstanding achievement of the year was in the field of sports when Miss Simran of Sri Sathya Sai Jagriti Vidya Mandir was a part of Haryana girl's U-14 football team which won the National All India Junior girl's football championship held at Kurukshetra. No doubt, and we wish for her so, that her talent will mature as she moves from state to national team and from U-14 to senior team in the time to come.

**Atal Tinkering Laboratory:** With the Grace of

Bhagwan Sri Sathya Sai Baba, Niti Ayog (Govt of India) has selected Sri Sathya Sai Jagriti Vidya Mandir for allotment of an Atal Tinkering Laboratory for the young minds of the school to explore their innovative ideas by using this state-of-the-art lab. Documentation and registration for the grant is currently in progress.

### The effects of Covid -19 pandemic on Sri Sathya Sai Gramin Jagriti

The first patient of Covid 19 was reported in Wuhan city of China on 30-12-2019 and was declared a Public Health emergency of International concern by WHO on 30-01-2020 and on the same day, India reported its first case in Kerala. Since then, the disease has caused havoc globally. While the full effect on the global health and economy is the matter of investigation, one thing is sure that it seems to be a befitting response of the Mother Nature to the mutilating onslaught of humanity on it.

Sri Sathya Sai Gramin Jagriti Sewa Sadan had also been affected by the Covid -19 and its aftermath:

1. The health unit worked with all the precautions of temperature recording by infrared non touch temperature reader, compulsory mask wearing, sanitization of hands and observing social distancing. It continued to play its humble role in mitigating the sufferings of the patients coming from far off places.

2. The school remained closed during the lockdown, resulting in academic loss. Although the teachers worked hard to give assignment on the WhatsApp groups yet there are certain limitations to this arrangement. Not all the students had the accessibility of smart phones. The average IQ of the students require black board class room teaching and then there are reports of Ophthalmologists suggesting adverse effects on the eyes of the students for prolonged smart phone screen sighting.

3. The school closure has also resulted in disorderly behavior of the children reported by parents. The much late getting up from the bed, watching TV and over eating were seen as side effects of lockdown.
4. The civil work of maintenance and new proposal were delayed.
5. The slowed down economy seems to have no effect on the inflow of funds contributions from different sources, true to divine assurance "Morality is your responsibility, rest is mine"- Baba.

## 1. Introduction and brief history

Sri Sathya Sai Gramin Jagriti Sewa Sadan is a multi-dimensional rural based service (*sewa*) project gifted by Bhagawan Sri Sathya Sai Baba to the northern part of rural India with the dual purpose of self-evolution of the volunteers (*sewa* workers) through selfless service and empowerment of the beneficiaries through the various services of this project. It bears the name of Bhagawan Baba, because it follows the lofty Sai principle of “selfless service” with “love” as a mode of liberation. The project came into existence with a typical stamp of Swami’s *leela* which is no less than a miracle in itself.

It was in 1990 when Lord Sai blessed one of His outgoing MBA students of Sri Sathya Sai Institute of Higher Learning and inspired him to work in setting up of a multi-dimensional rural empowerment programme. The “*sewa*” work in this project was started on 13<sup>th</sup> April, 1993. Since then, **Swami** has been guiding, inspiring and protecting us at every step. Important physical milestones in the history of this project are as follow:

**Important milestones:** *Bhoomi Puja* of the land, gifted by the then Gram Panchayat of village Darwa (Yamuna Nagar, Haryana), was performed on 13<sup>th</sup> April, 1992. Foundation of the hospital building was laid on 27<sup>th</sup> September, 1992. The *sewa* work in the project was started in the form of a **dispensary** on 13<sup>th</sup> April, 1993. Next year in September 1994, *Masala* (spices) production centre was commissioned with a view to provide vocation to economically weaker section of the rural women.

**Sri Sathya Sai Jagriti Vidya Mandir** was inaugurated on Swami’s 71<sup>st</sup> Birthday (23<sup>rd</sup> November, 1996) by a long time Sai devotee -Mr Justice R.Sridharan, the then Chief Justice of Punjab & Haryana High Courts.

The “Parshotam Loomba block” of 6 bigger rooms in a 3-storey format, specially designed for housing meditation room, conference hall, library, science laboratory and a computer laboratory, was completed in 2009.

In February 2009, “Clean water” project, sponsored by Rotary International to meet the supply of safe drinking water to the whole campus, was commissioned.

The major boost to the working of the Project in general and Sri Sathya Sai Vidya Mandir in particular, was received on 19<sup>th</sup> June 2010 when **Sri Sathya Sai Vidya Vahini** was gifted to school by Bhagawan. This has brought in the cutting edge of latest technology in secular (text book) and value-oriented education for the holistic development of the students’ personality.

“**Sai Kitchen**” was commissioned in September 2012 to supply freshly prepared, tasty and nourishing vegetable curry every day to all the students free of cost.

On Baba’s 88<sup>th</sup> birthday (23<sup>rd</sup> November, 2013), a multi-purpose assembly hall (**Sai Balraj Gupta Hall**) was inaugurated by Mr Justice K.C Puri, Hon’ble Judge of Punjab & Haryana High Courts, Chandigarh.

With Sai’s loving grace, the School has been affiliated to the National Council of Sri Sathya Sai Schools in 2013. **Thank you, Swami!**

In April 2015, the sports ground of the school was developed fully into a stadium for training and organising the games of foot-ball, hockey, Cricket, volley ball and track events. A state of the art, Basketball court was commissioned in March 2016.

In 2017, the extension of the Balraj Gupta Assembly Hall and addition of a balcony was undertaken to accommodate the ever-increasing audience, attending Baba’s birthday and school Annual Day programme.

In February 2018, the school was allotted a “**Girl’s football Nursery**” for 30 students of Yamuna Nagar district by Govt. of Haryana under Golden Jubilee Khel Nursery scheme.

In April 2018, a 10KW “on grid” **solar power plant** was installed on the roof top of the school. It is now producing electricity. The plant is generating more power than the requirement of the Sadan.

In January 2020, the school was allotted an Atal Tinkering Laboratory under Atal Innovative Mission of Niti Ayog, Govt of India.

## 2. The society

### 2.1 Membership:

The society was registered with the Registrar of Societies, U.T- Chandigarh in 1990. There is **no membership fee**, only contribution of “*Pure Love*” is required for Life time Membership of the society. As on this day, there are 46 members on the rolls of the society. None of the members or their relatives is gainfully employed in the project. The services of the members are purely selfless in nature and no remuneration/perk in any form is ever paid to any of the members. Full list of members/Governing body members on pages 62-65(annexure IV). The Deputy Commissioner of Yamuna Nagar and Director Urban Local Bodies Haryana is the permanent nominee of the Govt. of Haryana to the Governing Body of the society.

**Funding:** The society receives unsolicited donations in its scheduled Bank accounts and no donation box has been kept to receive loose cash donations. The payments of all purchases etc. are made on regular bills. The salaries of the teachers and other staff members are credited to their bank accounts directly. At the end of the financial year, the accounts are audited by a chartered accountant. The balance sheets; receipts & expenditures statements and audit report (please see Annexure V, page 66 onwards) are prepared and presented in the Annual General Body meeting of the society for its approval. An analysis of the data of this balance sheet and comparison with last two years is, however, presented in chapter 9 of this report (page 41-44). Similarly, the Annual Report is prepared and presented in the Annual General Body meeting every year for discussion and adoption.

### 3. The Project

**3.1 Theme of the Project is reset:** The theme of the project was initially conceived to be "**Manav Sewa is Madhav Sewa**". But this theme has since been reset by Bhagawan Sri Sathya Sai Baba on 02-01-2011 during the last interview, graciously granted to the management committee members, when Swami emphatically told them, "**If you love me, love my words**".

The *sewa* work in the project is, however, based on the concept of "Tri-karna Shudhi" i.e., the purity and harmony of Thoughts, Words and Deeds by way of *Sankirtan* and *Sewa* under the guiding philosophy of Bhagawan Sri Sathya Sai Baba.

**3.2 Location of the Project:** The project centre is situated on the bank of Yamuna canal, 7.5 kms from Yamuna Nagar on old Saharanpur (*Jhota*) road at village Darwa in Tehsil Jagadhri of Yamuna Nagar district (Haryana) Pin 135101. The village Darwa has now been included in Yamuna Nagar Corporation, but the project work continues to serve the rural neighbourhoods.

#### 3.3 The Beneficiaries:

The project has two types of beneficiaries:

**Adopted:** Three villages are adopted for *sewa* activities:

1. Darwa with population:	1095
2. Darwa Majri with the population:	1162
3. Parwalon with the population:	<u>1693</u>
Total adopted Population:	<b>3950</b> (Families=520)

In an economical survey of the adopted families, it was observed that 12% families are having good regular income from the farms or regular employment, 36% families are living on income from daily wages or irregular employment and the rest 52% are living “below poverty line”. **All the services rendered by the *Sadan* are totally free to the population of these three adopted villages.**

Non-adopted: Besides the adopted beneficiaries, unspecified number of patients from the surrounding and far off villages/cities of Haryana, Punjab, Uttar Pradesh, Himachal and Utranchal visit *Sadan* every day for free consultation. The poorest of the poor amongst the non-adopted patients are also provided free medicines and investigations. Students from various non adopted surrounding villages are admitted to the school by a transparent open lottery system, subject to the availability of the seats.

**Quality (and not the quantity) is the hall mark of all the activities.**

### 3.4 Components of the Project: There are three wings of the *Sadan*:

1. Education Wing- Sri Sathya Sai Jagriti Vidya Mandir
2. Health wing
3. “Masalas” Production centre

These three wings derive their inspiration and energy from the fountain head of energy that is- “The Spiritual Activities”.

#### The satellite panoramic view of the project site

The circled area depicts the project site. Out of the total area of 7 acres of the land in possession, the School premises are in 4.17 acres (60%) and the remaining 2.83 acres (40%) has the Hospital and residential premises.

On its northern side is the dairy complex, on the southern side; there are farms and Yamuna Canal. The eastern side, the vacant land is reserved for the society to expand its project (Vocational & Skill development is being planned), the village Darwa is situated on the western side of the project.

#### 4. Sri Sathya Sai Jagriti Vidya Mandir -a "Sri Sathya Sai Vidya Vahini", "Sai School"

##### Highlights:

- Regular co-educational bi-lingual school from pre-nursery to 10th class, recognised by Govt. Of Haryana and affiliated to Board of School Education Haryana, providing a high quality, but totally free education to the rural students.
- Special emphasis on "Education in Human Values"-Sai Educare
- The introduction of the newer concept of "Experiential learning"
- Clean, safe and hygienic environment with provision of safe drinking water, separate toilets for boys & girls.
- Qualified & trained teachers with teacher/student ratio as 1:23. Specialist teachers in Science, Sanskrit, Music, Computer Science, Physical training and a Librarian. Regular in-service training for the teachers.
- Six e-class rooms: each having LCD projector, screen, green board and Wi-Fi /LAN internet connectivity for free access to the vast teaching material available on Sri Sathya Sai Vidya Vahini Portal.
- Well-equipped science and computer labs. Facilities for LCD, slide and overhead projectors. A well-stocked School library.
- Well organised school annual calendar for sports, extra-curricular activities and community services. Girl's Football "Khel" nursery.
- Regular health check-up with 100% free immunisation against Hepatitis B and MMR. Regular Vit D + Calcium supplement for all. Free supply of freshly prepared vegetable curry with rice in lunch from Sai Kitchen.
- Parental involvement (Parenting) in overall personality development of the children by regular Parent-Teacher Meetings.
- Post-schooling career counseling and financial/logistic support including gifting Laptops to meritorious students pursuing higher studies.

## SOLAR POWER PLANT

An “On Grid” 10KW Solar Power plant has been installed on the roof top of the school for meeting the power demands of the Sadan and reduces the electricity bill. The plant can be remotely monitored on line.

## SAI BALRAJ GUPTA ASSEMBLY HALL

With the grace of the Loving Lord, the multipurpose assembly hall construction is a boon to the infrastructure created in the school. Having LED projector, it serves to host all the school activities such as Baba’s birthday & Annual day celebrations, *bhajan* session and indoor games like badminton, table tennis etc.

With loving grace of Bhagawan Sri Sathya Sai Baba, Sri Sathya Sai Jagriti Vidya Mandir has been declared as a “light House School” after a detailed audit by Sri Sathya Sai Vidya Vahini Foundation.

To explore this fountain head of gifted “knowledge”, the school is adopting the system of Sai Educare. Under this system, an equal and balanced importance is given to both “secular” (board syllabus education) and “EHV” (Education in Human Values). According to Sri Sathya Sai Baba, both of these components of child development are like the two wings of a flying bird, essential for him/her to fly in the mundane world. **Education is for Head, and Educare is for Heart! -Sai Baba**

Sri Sathya Sai Vidya Vahini programme and affiliation to Institute of Sathya Sai Education (Mumbai) are providing the technology and continuing training to the teachers, thus giving impetus of achieving the goal laid down in Sai philosophy of education- “Sai Educare”

With the Institute of Sathya Sai Education (Mumbai) taking over the school under its wings; the new concept of “Experiential Learning” has been introduced in the school. Sincere efforts are being made to develop the “Character” of the young ones by an integrated approach involving students, teachers and parents through medium of “LOVE”, balanced with “Law”.

**Infrastructure:** With Loving grace of Sri Sathya Sai Baba, the school management has been able to build a state-of-the-art infrastructure for the children to bloom into useful individuals. There are six e-class rooms of the senior classes, each having a LED projector, internet accessibility, dustless chalks and green boards. The school has an assembly hall, a well-equipped Computer lab, a composite science lab, a mathematics lab, a well-stocked library and a “Rainbow” room wherein projects models and charts prepared by the students in the past, are stored.

The conference room, the computer lab and the Balraj Gupta Assembly Hall have also been provided with LED projectors. **Sports grounds** for football, hockey, athletics and Volley Ball already exist. **Basketball court** is an added asset in the school. **The school library** has a stock of 4002 books (Reference books 1000, Academic: 1530, Story: 560, Spiritual: 720, General Knowledge: 49, Open Board: 34, Novels: 24, Moral Science: 15 and Magazine: 70). There is a qualified librarian who manages the working of the library.

All class rooms are connected with the Director’s office through PA system. Security CCTV cameras have also been installed recently.

AUM SRI SAI RAM

## SRI SATHYA SAI JAGRITI VIDYA MANDIR (The Infrastructure)

### Connection to the modern world:-

The fully Air conditioned Computer Lab is equipped with 16 computers wherein the students learn how to make the presentations (ppt's), prepare Excel sheet, write in MS Word and also search material for their different subjects. A qualified teacher has been employed to guide & help them. The whole school building is Wi Fi enabled for Broadband internet accesses.

**The Library** is a garden of silence for the students to enjoy and comprehend and expand their knowledge by reading books of various subjects. The school library is very spacious and well lit. It has a stock of 4002 books.

### The SSSVV e-class rooms:

There are six e-classrooms for 5<sup>th</sup> to 10<sup>th</sup> standard, fitted with a LED projector, a foldable screen, a green board. Children are taught the subjects using updated educational videos and lesson plans on regular basis.

## The Student

During the academic year of 2019-20, the total strength of the school was 441 students, with 49% boys and 51% girls. Most of the students (84%) were from socio-economically backward classes. Although there is no caste-based discrimination of students in the school in any manner yet the detailed break up is given below to meet the information requirement of the Education department under RTE:

Category	SC		BC/OBC		General		Total		
	Boys	Girls	Boys	Girls	Boys	Girls	Boys	Girls	Total
Number	115	112	71	72	29	42	215	226	441
%age	51%		33%		16%		49%	51%	

The primary classes follow the Haryana Board curriculum in English medium. But, in an effort to bring these rural students at level ground with urban children in competing for admission to professional courses, the medium of instructions for the subjects of Mathematics and Science of 1<sup>st</sup> to 10<sup>th</sup> classes have been changed to English. The medium of instruction for the subject of Social Studies is being gradually changed from Hindi to English. Sanskrit is, however, a compulsory subject for all the students.

The school computer laboratory has 16 computers for a class of 35 students. Use of computer technology under the aegis of Sri Sathya Sai Vidya Vahini has not only made the subjects interesting and comprehensive for the students, but it is also inculcating the “moral values” in them. Details of the activities of Sri Sathya Sai Vidya Vahini Programme in Darwa School are given on page 47-49 (Annexure I)

To encourage healthy competition among the students, **Balraj Gupta Medal** is awarded to the best outgoing student of the school every year. It carries a cash award of ₹11000, a merit certificate and a “Medal”. Based on well-developed protocol of selection (with no room for personal bias), Master Pardeep s/o Smt Naibo Devi & Shri Amar Singh of Darwa was awarded this coveted prize this year.

The importance of moral education is the basic principle of the Sai Education philosophy. *Bhajan* singing and *Vedas* recitation are the regular features of the Morning Assembly.

#### 4.1 Academics

The academic session started with “Hawan” in the premises of the school on 1<sup>st</sup> of April in which the senior students, teachers and other staff members participated. The academic year (2019-20) had 225 teaching days. The **Teacher /student ratio was healthy at 1:23** with 19 qualified and experienced teachers for 441 students. Emphasis is on regular attendance of the students in the school. The annual average attendance of the school is 95.1% (Pre-school classes: 93.7% and 95.6% in the school from first to tenth classes).

#### The Annual Results:

The Annual examination Covid-19 hit results of 10<sup>th</sup> class conducted by the Haryana education board has been excellent for our school. The three-year results are tabulated below for viewing the progress made in academics:

Year	No. Of Students	Pass %age	Merit >75%	1 <sup>st</sup> Div. 60-75%	2 <sup>nd</sup> Div. <60%	Reappear
2017-18	18	94.4	8(44.4)	8(44.4)	01(5.5)	01
2018-19	29	93.1	8(27.5)	13(44.8)	06(20.6)	02
<b>2019-20</b>	<b>27</b>	<b>100</b>	<b>19(70.4)</b>	<b>8(29.6)</b>	<b>0</b>	<b>0</b>

\*Haryana board Pass % age for district of Yamunanagar= 67.96

\*\*This year 19(70.4%) students passed in Merit, scoring more than 75% marks and 8(29.6%) students scored more than 60% marks.

#### 10<sup>TH</sup> CLASS SUBJECT WISE RESULT AT A GLANCE

Year	Hindi	Eng.	Maths	S.St	Science & Techn.	Skt	Average %age
2017-18	77.1	62.8	77.2	65.9	66.2	77.2	70.3
2019-20	67.03	62.17	65.86	55.79	66.93	71.38	68.95
<b>2019-20</b>	<b>75</b>	<b>76.44</b>	<b>76</b>	<b>65.96</b>	<b>81.7</b>	<b>76.85</b>	<b>77.58</b>

**Veda Chanting:** Baba, who is the Veda Purusha, has educated us time and again on the supreme benefits of chanting Vedas. Every occasion gets started with Vedic chants which leave the whole place charged with divine vibrations. In fact, “Veda Chanting” has become an integral part of His education system. All India in charge of Veda chanting training, Mr Balasubramani Chandrasekar is regularly visiting the school to conduct Veda chanting classes.

#### 4.2 Co-curricular activities:

“Communicative skills and confidence building” have been identified as two areas of concern in the rural education. Regular classes of senior students in General Knowledge and Awareness are conducted on Sundays. In the field of personality development of the children, co-curricular activities play an important role. The school has a regular calendar of such activities.

#### 4.3 Sports:

The achievements of students in various sports disciplines over the year are tabulated below:

Sr. No.	Games	Block/Dist. Level	Date & Place	Position	State Level Participation
1	Basket Ball U-14 Boys	Dist.	9 April 2019 /New Happy School YNR	1 <sup>st</sup>	Himanshu select for State level.
2	Basket Ball U-17 Boys	Dist.	9 April 2019 /New Happy School YNR	3 <sup>rd</sup>	Rohit, Rohan, Tushar & Sukhchain
3	Basket Ball U-14 Girls	Distt	9 April 2019/New Happy School	Participation	Aprajita
4	Basket Ball U-14	Dist.	26 August 2019/ Holy Mother Public School	1 <sup>st</sup>	Himanshu select for State level.
5	Basket Ball U-17 Girls	Dist.	9 April 2019/New Happy School	Participation	Shivani, Dhruvika & Anushka
6	Kho-Kho (Girls)U-11	Distt Level	11-Sept-2019/ Fatehabad	1 <sup>st</sup>	Team Achievement
7	Relay Race (Girls)		11-Sept-2019/ Fatehabad	1 <sup>st</sup>	Team Achievement
8	Yoga (Boys )		11-Sept-2019/ Fatehabad	1 <sup>st</sup>	Hitesh participation in Yoga
9	Kabaddi (Boys) U-11	Dist. Level	13-08-2019/Chhachhroli	1 <sup>st</sup>	Team Achievement
10	Relay Race		13-08-2019/Chhachhroli	1 <sup>st</sup>	Team Achievement

#### Best Achievements in the field of sports:

- Simran won Gold Medal in National Junior Football tournaments held in Kurukshetra from 14-01-2020 to 18-01-2020.
- Komal represented the state of Haryana in Junior National Girls Championship held at Kolhapur (Maharashtra) from 20-04-2019 to 01-05-2019. Her team scored 3<sup>rd</sup> position.

### The Born Artists

The School has prepared and staged two quality dramas in the hallowed precincts of Prasanthi Nilayam:

A scene from "Sarva Dharam Saroopa Sai" presented on  
30-12-2011 (Prasanthi Nilayam)

The cast of the drama "Love All Serve All" praying to Bhagawan  
(06-05-2013) at Prasanthi Nilayam

Rare achievement in sports:

Like last year producing a national level player Komal, the outstanding achievement of the Golden Jubilee Football Nursery for the Girls this year also was producing a champion national level footballer, Simran who represented Haryana at All India Junior girl's football championship held at Karnal. Her team won the championship by beating the Jharkhand team. She excelled in academics too, a rare combination of an all-rounder. She scored 95 % marks in her final VI class examination, standing 2<sup>nd</sup> in her class. For her achievement, she was facilitated on republic day 2020 by the Local MLA, Shri Ghanshaym Das.

**4.4 School Health Programme:**

The health of each student is monitored by maintaining his/her health card. Besides regular medical/dental check-up and deworming of the school children twice in a year, all new admissions were immunised against Hepatitis B and MMR (Measles, Mumps and Rubella), thus achieving 100% immunisation in the school. The anaemic children were given oral iron on regular basis. Every student received Vitamin D and Calcium supplement on 95 days in the calendar year (31993 tablets for senior students and Vit D Sachets in milk for pre-school children). The results of these health providing programmes are encouraging in terms of gain in height, alertness and mental ability of the students.

**"Sai Kitchen"** was commissioned in September 2012 for supplying freshly prepared, tasty and nourishing vegetable curry to all the students free of cost. A new initiative has been taken wherein rice with vegetable was provided to all the children every day.

## "HEALTHY MIND IN A HEALTHY BODY"

The school provides infrastructure for developing sporting talent of the children. The basketball court and an accomplished coach have proved to be boons to the students to learn this beautiful game of physical endurance and skill. A huge ground for the games of cricket, football, hockey and athletics is available for the children.

The Haryana sports department has allotted "Sports Nursery" for training 30 Girls football players through this nursery. A qualified coach and Rs 1500 per month per child are provided by the govt under this scheme

## THE ACHIEVERS IN SPORTS FIELD

District Champion  
Girl's Football team

State level participation  
in 400 meters relay race

Junior District Basketball  
team with their coach

State level participation  
by girl's 200 meters  
relay race team

**4.5 'Heritage' Club Activity:** With the grace and guidance of Swami, the students of SSSJVM participated in various 'Heritage Club' activities during the session 2019-2020.

On 31.08.2019 eleven students of our school participated in Quiz competition organized in Dyal Public School. The theme was 'Heritage of India'.

Essay Writing and Poster making competitions were held on the topic 'Gandhi Ji at 150 years. Twelve students from our school participated. Result is still awaited.

Kashish of class X and Mehek of class IX wrote articles on 'Ramayan' and 'Musical Instruments' respectively for the magazine Young INTACH (monthly magazines). Both the girls received 1<sup>st</sup> prize.

#### 4.6 Extending help:

- Child adoption scheme: Any student who has either lost his/her father or whose mother has been deserted by her husband, was adopted under the "child adoption scheme" for the purpose of providing free books, uniform/shoes and board examination fees. This year, ten (10) such students had been adopted. Donors from U.K are adopting these children on regular basis.
- Providing books, shoes and vision correcting glasses on regular basis to all those students who cannot afford.
- Laptop computers: Till now, 7 (seven) laptop computers have been gifted to deserving ex-students pursuing professional courses (details on page 61)
- Career counselling: Data base of all the ex-students has been generated to keep a track of the progress made by alumni in their career. Regular meetings with these students were held. Such meetings provided the opportunity to counsel them on their problems encountered by them

while pursuing higher studies and also to guide them for their future career. Logistic support is also given to these students in “online” filing of applications, seeking of results and guiding in admission process to various professional courses.

- Financial support was given to economically poor students to pursue their higher studies. Priyanka and Monika are receiving financial support for B.Sc (Nursing), Miss Srishti is receiving financial support for her 10+2 course in Sri Sathya Sai Vidya Vihar Kalkaji extension, New Delhi. One girl student Fauzia is getting financial support for her 10+2 (Medical stream) course in S.D. Senior Secondary School, Jagadhari.

### **The Teacher**

#### **4.7 Teacher’s training and their other activities :**

There has been emphasis to impart in-service training to school teachers under the philosophy of Sai Educare. The teachers are sent for various workshops/conferences whenever conducted by Sri Sathya Sai Vidya Vahini at Puttaparty and Institute of Sri Sathya Sai Education in Mumbai on regular basis.

The details of the activities under Sri Sathya Sai Vidya Vahini programme and Institute of Sathya Sai Education (Mumbai) are given on page 47-49 (Annexure-I). The other teacher’s related activities are, however, highlighted below:

**TEACHERS’ DAY CELEBRATION (5th Sep. 2019):** Teachers’ day was celebrated on 5<sup>th</sup> September 2018. The students of X class became pupil teachers to understand the nobility of this profession and also to know the difficulties and the challenges the teachers face. During morning assembly, Dr. Sarvapalli Radha Krishnan’s picture was garlanded by the Director and the headmistress of the school. The students performed group songs and lovely poems to show their respect for the teachers. Video clippings were also shown to them. The teaching in different classes by the students of X class was a great experience for them. They shared their experiences and expressed their gratitude for the teachers. Refreshment was also served to them.

Bhagawan Sri Sathya Sai Baba was gracious enough to arrange lovely gifts of sarees and safari suits for His teachers as HIS birthday gift in advance. Smt. Urmila Gupta distributed the gifts to the teachers and showered her love & blessings upon everyone.

## SCHOOL HEALTH PROGRAMME

“Sai Kitchen” was commissioned in September 2012 to provide freshly prepared nutritious and tasty vegetable rice curry, prepared under the most hygienic conditions, for all the students during their Tiffin time free of cost.

The impact of this activity, inspired by Sri Sathya Sai Baba, is positive on the health of the children. They are eating well with the availability of fresh and tasty vegetable curry with rice.

The other health caring programmes for the school include regular biannual medical/dental check-up, 100% immunization of all the students against Hepatitis B and MMR (Measles, Mumps and Rubella). The anaemic children are given oral iron on regular basis. The teachers are also covered for immunization against Hepatitis B and Iron + Calcium

## “No More Boring Walls “

Under this project, children have been encouraged to paint the pictures on the walls showing IIEP (Insightful, Inspiring, Enjoyable, and Participative) principles. This activity brings out their creativity and devotional attitudes towards work. Above pictures have been taken from the corridors, staircase area, boundary walls and entry gate passage of the school.

As mentioned in the beginning, the third factor in the child personality development is the importance of the role of Parents. The school, not being a residential one, is heavily dependent on the home environment of the students for their proper upbringing. But, the home environment in rural India exposes the children to all sorts of social evils like drinking, gambling, use of abusive language, quarrelling with neighbours, loud music etc. Hence, there lies a challenge for the teachers to counter these evil forces surrounding the delicate and sensitive minds of the children. The parents are informed about the various activities/ meetings/special instructions /school closures etc through bulk SMS service in Hindi.

**4.8 Parent-teacher meetings:** “Poor parenting” by parents at home is the cause of concern for the school administration. The usual story is that the parents have no control over their children because of their habits spoiled by parents and grandparents.

On 5th October 2019, a special Parenting programme was organised in the school. Sh.B B. Gupta and Sh.Amar Vivek were the guest speakers. They gave useful tips to the parents on time management, how to spend quality time with the children, how to bring peace and harmony at home, teachers' dedication and also care for the health and hygiene of the family members. All the parents left the hall with a sense of commitment.

**4.9 Tours and excursions:** A ten days excursion was arranged for 27 students (boys and girls) accompanied by three teachers and a parent during summer vacations. They visited Prasanthi Nilayam to have Darshan and blessings of Sai Sanidhi. They visited other places in and around Puttaparthi and had interaction with Sri Sathya Sai Vidya Vahini team.

#### 4.10 Visitor to the school:

With the immense grace of Lord Sai, Prof. H.J. Bhagia from Prashanti visited the school on 16th May 2019. He witnessed morning assembly followed by a small culture programme. He was immensely happy to see the programme and appreciated. He remarked that this school is a mini Prashanti Nilayam.

## SUCCESS STORIES OF ALUMNI SRI SATHYA SAI JAGRITI VIDYA MANDIR

The Golden girl Komal, B.Sc (Nursing) from Sri Sathya Sai Institute of Higher Medical Sciences, Bangluru is a winner of two coveted Gold Medals for excellence in academics and Mata Eshwaramma gold medal for best employee of the

Anju is a Newzealand Nursing Council certified Registered Nurs- a product of Sri Sathya Sai Jagriti Vidya Mandir and Sri Sathya Sai Institute of Higher Medical Sciences Bangluru.

Tanuj is B.Tech from Kurukshetra University College of Engineering & Technology. Currently, employed as Operation Engineer in M/S Altran India

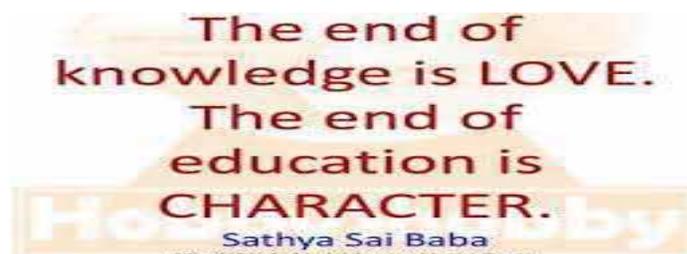

Arun is B.Tech (Civil) and is now employed as Site Engineer at the new project of Polyplastics (I) Pvt Ltd in Ahmedabad

He also sensed that Lord Sai's grace is abundant here. Everybody was spell bound when he shared his experiences with Swami. In one of his experiences, he said that if one needs His blessings ever, one has to surrender totally at His Lotus Feet without any doubt, practise love & humility and see Him in every creation of Lord, living or Non-living. Serve your parents whole heartedly. Selfless service and hard work bind God to shower special grace. Lord Sai loves His students boundlessly and shows His omnipresence to them many a times. Smt. Rachna Bhagia also shared some of her personal experiences with Swami. The visiting guests showered their love and gave special blessings to Master Krish & Master Lakshay. After visiting class rooms and the hospital wing, the two left for Dehradun at 1:00 p.m.

#### 4.10 Scope for Improvement:

- In general, the students lack interest in their studies. They don't do "self-study" at home. There is a scope in improvement of their written and spoken languages. The children lack etiquettes and respect for elders which need to be looked into. The students require regular training in improving their personal hygiene.
- Now, since the students have started getting admissions to professional colleges, they feel handicapped because of poor communication skills and lack of confidence.
- The involvement of Parents in the child development could be further improved by regular counselling of the parents.
- The teachers need to work harder to improve their teaching skills and make the subject lively, using teaching aids and free discussions.

## 5. HEALTH WING

- Regular OPD for 6 hours daily from Monday to Friday and 3 hours on Saturday, manned by 2 qualified and experienced doctors.
- 300 mA X-Ray machine, ECG machine and Laboratory facilities for routine laboratory investigations and full range of Physiotherapy equipment, manned by locally trained personnel.
- Regular Specialist clinics, once in fortnight for Internal Medicine and Dental patients run by qualified doctors. Homeopathy clinic, once a week. Daily Orthopedics and Gyne. Obst clinics.
- School Health Programme
- A “24X7” Ambulance service for the adopted population.

### 5.1 The beneficiaries:

Two types of beneficiaries are attending the Out Patient Department for seeking free medical consultation. Their beneficiary status and entitlement are tabulated below:

The Class of Beneficiaries	Adopted	Non-Adopted
Constituents	3 villages: Darwa, Parvalon and Darwa Majri with Population: <b>3950</b>	Pts. From near & far off places of Punjab, Haryana, Himachal, U.P, Utranchal, Rajashtan, Delhi
Consultation fees	Nil, no registration fees	Nil, no registration fees
Investigations: Laboratory & X-Rays	Free for all	*Subsidised for all *Totally Free to ½ free for Poor
Indoor treatment expenses	0 to 100% depending upon the Economic criteria	Self-financed

The hospital building houses the outdoor medical examination facilities with provision for X-Rays, laboratory and dispensary. Four beds are available for observation of the patients.

Specialists' clinics: A state of the art Dental Chair has been installed to provide treatment to the dental patients. Besides the dental clinic, special clinics for “Internal Medicine” and Homeopathy are also run in the evenings. Prior appointments are given to the patients for these clinics. Orthopaedics and Gyne. - Obst consultations are available on daily basis in the morning times. Emergency services are provided round the clock for adopted patients only. The serious patients are transported to hospitals/nursing homes in the nearby twin cities of Jagadhari/ Yamunanagar.

Looking at the difficulties faced by the patients coming from far off places to avail the token system, a new successful system of telephone booking of tokens has been introduced through a dedicated contact number.

## HEALTH UNIT

Sadan has a humble “health Wing”, mainly the OPD, dealing all patients with love and compassion. The wing has earned a name for fair dealing and positive approach. Patients come for free consultation from far off places of UP, Utranchal, Haryana & Panjab. Popularly known as “Sai Baba Ka hasptal”, a large number of orthopaedic patients come for balanced opinion and treatment. Besides the free consultation, the unit has a clinical laboratory manned by a senior lab technician, a 300 mA X-Ray Machine and state of the art Dental chair. There are six observation beds, but the patients requiring Indoor treatment are taken to Nursing Homes in Jagadhari /Yamuna Nagar. Ambulance service is available round the clock for this purpose. For the convenience of patients coming from far off places, telephone booking of token has been introduced

### 5.2 Out Patient work:

The Outpatient starts at 8 am in the summers and 8.30 am in the winters with *Aunkaram* and singing of *Bhajans* in “*Stuti*” of Lord *Ganesha* and *Guru Baba*, followed by “*Sarva Dharma Prarathana*”. The *Vibhuti Parsadam* is then distributed and the patients are made to sit comfortably, men and women separately. The patients are seen on first-come-first-serve basis using a digital token display system. The adopted patients, toddlers and senior citizens (>65 years of age) are given priority.

### OPD WORK LOAD DURING LAST THREE YEARS:

Year	Total OPD Pt	Specialist OPD Pts	Tb New Pt.	X-Rays	Lab Invest.	Emergency cases
2017-18	22509	13305	01	2242 (133, 6%)	3428 (535, 15.6%)	150
2018-19	21666	13014	01	2179 (126, 5.8%)	3543 (459, 13%)	170
2019-20	20841	13062	nil	1701 (119, 7.5%)	3179 (408, 12.8%)	133

(Figures in parentheses are the numbers related to adopted patients).

Considering that there were 304 working OPD days during 2019-20, the average number of patients attending the OPD per day was 68.5 with percentage of adopted patients as 54.4% of the total OPD registration.

### 5.3 Anti-tubercular treatment:

Since the beginning in April 1993, a total of 151 patients (average: 06 per year) of tuberculosis (Pulmonary and extra Pulmonary) have been diagnosed in adopted population of Darwa village. The breakup of these cases is as follows:

\*Healed and rehabilitated: 135      \*Recurrence: 04 (Treated subsequently)  
 \*Died due to the problem: 06      \*Treatment discontinued by pts.: 06

While the incidence of Tuberculosis is on the rise all over India, the incidence in village Darwa has been on the decline. Thanks to persistence efforts to persuade the villagers to follow the standard hygienic habits and give up smoking.

Other chronic disease patients who are taking medicines on regular basis are: Hypertension -53, Diabetes Meletus -10, Epilepsy- 05, Thyroid dysfunction -04.

## HEALTH UNIT - OTHER SERVICES

A dental chair has been installed for the dental surgeon to take up routine procedures in the OPD only

The Health Unit has full set of routine Physiotherapy equipment like automatic traction machine, SWD, Ultrasonic therapy, Wax bath, shoulder wheel etc.

There are 4 observation beds available in the health unit for care of the patients requiring short observations.

The ambulance service is available 24X7 for the adopted patients for shifting the patients to designated nursing homes in Jagdhari and Yamuna Nagar

#### 5.4 Laboratory, ECG and X-Rays facilities:

A semi- automatic analyser has been installed in the OPD, manned by a qualified Laboratory Technician to prepare hematology, bio-chemical and Urine analysis investigation reports. Samples for more sophisticated tests are sent to advance Laboratories at Chandigarh/Delhi. An ECG machine is also now available for the Outpatient. Sadan has purchased a new 300mA X-Ray machine powered by a 25KVA generator, for carrying out routine radiographic investigations. As per legal obligation, the X-ray facility in the Sadan Hospital and the X-Ray technician are registered with Atomic Energy Regulation Board of Govt. of India for monitoring the X-Rays exposure to the technician.

#### 5.5 Some facts about rural Health services:

- a) Common ailments: Contrary to the common belief, the rural women are found to be commonly suffering from Hysterical neurosis. Worst of all, the family members don't understand it and get exploited by unscrupulous nursing homes. Second common problem is Epilepsy due to Neuro-cystecercosis.
- b) The problem of alcoholism is taking a toll on the socio-economical milieu of poverty and undernourishment of family members, domestic violence etc. Death in young age due to chronic alcoholism is common. Illegal sale of liquor in the village is continuing in spite of several representations submitted to the authorities.
- c) The quacks ("doctors") are playing havoc with the psyche of the villagers. These "doctors" also work as touts for the nursing homes flourishing on illegal medical malpractice, resulting in unwarranted costly investigations and unwarranted operations such as appendectomies and hysterectomies etc.

#### 5.6 The School Health Services: Kindly see health under "Education".

Calcium + Vi D tablets are given to all the children of the school on regular basis. In all, a total of 22500 tablets (from class I<sup>ST</sup> to X<sup>th</sup>) + unspecified sachets of Vit D granules (for pre-school classes) were given during the year.

#### 5.7 Indoor Patients:

As per policy, the patients from adopted villages requiring indoor treatment are admitted to various Hospital/Nursing Homes at Jagadhari/Yamuna Nagar for different problems. Besides, the financial help, these patients are given logistic support in the form of personal visits, arrangement of blood, food and transport. Financial help was given to deserving patients for their

sophisticated costly laboratory investigations. A brief summary of these patients is given in Annexure-III (page 60).

### 5.8 Births and Deaths:

A regular record of births and deaths in village Darwa is kept meticulously (tabulated). The data of births has been useful for keeping the immunization record of all the newly born and also for admission to nursery class of Sri Sathya Sai Jagriti Vidya Mandir.

Year	Births	Death
2017-18	09	08
2018-19	04	09
2019-20	04	06

### 5.9 Feed Back Mechanism:

A team of doctor and volunteers visit the village every Tuesday and some of the Saturdays for interacting with the beneficiaries with the purpose of getting “feed-back” from them and for their counselling in the matter of health and the education of their children. This gives them the opportunity to update the family data in the Sadan records. The inputs from these visits help in making micro-adjustments in delivery system of the various service activities.

**“When you go to hospitals to render service, actually you do not cure and serve others. You cure yourselves – your emotions, feelings and heart undergoes an unseen transformation. But that happens when you render service a worship”.**

**- Sai Baba**

**The Doctor of Doctors**

## 6. Masala Production Centre

### 6.1 Masala production Centre:

*Masala* (spices) production centre was established in September 1994 with the following aims in mind:

1. To provide vocation to the rural women so that their economy is improved. Three women and a village boy have been employed in the *Masala* Centre.
2. To educate these working women in basic hygiene so as to improve their health.
3. To provide pure high-quality *masalas* (spices) to the society.

Strict control on quality is maintained at the point of purchasing of the raw materials and production. Each packing has a label, indicating the name of the *masala*, its date of manufacture, weight when packed and its cost. In case of any complaint, the material is replaced without asking any question.

The sale is promoted by the members in their social circles, both at Yamuna Nagar and Chandigarh. A sale counter has also been kept in the hospital section which attracts many visitors.

This year, the average monthly salary of ₹2396 has been disbursed to each of the rural women for their labour working for an average of 2 hrs per day. This amounts to an average labour rate of ₹47.92/hr. A comparative data of *Masala* Centre progress over the last 3 years has been tabulated as follows:

Year	Total sale Of Masalas	Total Wages Disbursed	Women Employed	Average reflected Wages of a worker/hr	Average Wages of a worker/month (2 hours/day)
2017-18	₹ 5,58,665	₹ 66,381	03	₹37.58/hr	₹1843
2018-19	₹ 5,32,677	₹ 69,688	03	₹44.67/hr	₹1936
2019-20	₹ 5,99,079	₹ 86,272	03	₹47.92/hr	₹2396

With Govt. of India having the agenda of skilled personnel growth, we hope we will be able to take a big leap forward in this wing of the project in near future.

# JAGRITI LOK SEWA TRUST

(A UNIT OF SRI SATHYA SAI GRAMIN JAGRITI SEWA SADAN)

*Masala* (spices) production centre was established in September 1994 with the following aims in mind: 1.To provide vocation to the rural women so that their economy is improved. 2. To educate these working women in basic hygiene so as to improve their health. 3. To provide pure high quality “hand ground” *masalas*

The raw materials of the masalas (spices) are procured from the market, cleaned, grounded and packed hygienically. There is a quality control at each step of the production. A solar drier is used to dry the raw material.

**6.2 Employment opportunity:** The various wings of the project are providing job opportunities to the adopted population. In the non-technical areas, the jobs are offered to economically weaker families of the adopted population, irrespective of caste or creed. But for the technical jobs, the applicants from the adopted villages are required to compete with others in a merit based open/transparent selection process.

Besides the two doctors working on voluntary basis, there are 48 regular jobs available in the project. Out of these total 47 jobs, 20 are occupied by the adopted villagers. One village woman has been engaged to run the *Sadan* canteen.

All the employees are covered under ESIC and EPF schemes

The details of villagers employed under various categories in the different wings of the project are given below:

Wing	Technical	Non-Technical	Total (Rural)	Remarks
Education	*Teachers Including the Director and Headmistress 21 *part time basket ball coach=1 Foot-ball coach =1	*Non-Teaching staff and Sai Kitchen sewikas = (07)	30(07)	Director of the school is putting up in the campus
Hospital	*Doctors=2 *Radiographer=(1) *Lab Technician=1	General Assistants = (2) Safai Karam Chari = (1)	7(4)	Both the doctors live in campus
Masala Centre	*Assistant Manager=1(1)	Workers= (3)	4(4)	All from Darwa
Common Pool	Supervisor =1	Malee=(1) Chowkidar=(3) Canteen=(1)	6(5)	Supervisor from city
Total	29(2)	18(18)	47(20)	Out of total of 47 jobs, 20 are occupied by

*“Let new India arise out of the peasants’ cottage, grasping the plough; out of the fisherman, the cobbler and the sweeper. The peasant, the shoe-maker, the sweeper, and such other lower classes of India have much greater capacity for work and self-reliance than others. They have been silently working through long ages and producing the entire wealth of the land without a word of complaint”*

**-Sri Sathya Sai Baba**

## 7. SPIRITUAL PROGRAMMES

### Highlights:

- \* Celebrations of all the festivals and important cultural & heritage events to inculcate in the minds of beneficiaries the importance of ancient Indian culture and inter-religion fellowship, based on multi-pluralistic Indian society.
- \* *Sarva Dharam bhajan* sessions on Sundays, Thursdays and all festivals. *Suprabhatam* and *Nagar Sankirtan* on every Sunday and festival, *Narayan Sewa* on the last Sunday of the month.

The spiritual programmes are the back-bone of the whole project and a source of inspiration for the volunteers to bring in a change in themselves (self-evolution) and then to bring in a change in the society. Besides inculcating the 5D's (Duty, Discipline, Devotion Determination and Discrimination) in the children, these spiritual programmes are bringing subtle changes in the life style of the people attached to the project in various capacities.

The gains are wonderful. The darkness of "ego" of the volunteers is gradually being removed by the effulgence of sprouting "Love" in their hearts. One does hear now and then, the comments on feelings of better control of emotions, hatred and jealousy towards others.

We pray to Bhagawan Sri Sathya Sai Baba to restore the old enthusiasm in the hearts of our worthy members so that they participate in these programmes more vigorously to enjoy the bliss of taking a dip in the Ganges - the ocean of love, flowing at our doorsteps.

## 8. FUTURE PLANNING

Bhagawan Sri Sathya Sai Baba had told a group of society members in an Interview that the evolution of this project is directly proportionate to the individual evolution of the workers working in His mission.

### **"Project Evolution α Personal evolution of the workers"- Baba**

Nevertheless, the society places following future plan at the LOTUS FEET for bestowing His blessings and loving Grace.

- Boarding facilities for the students, girls' hostel to begin with
- Up gradation of school to senior secondary (10+2) level

## 9. Analysis of the Balance Sheets of the society for the year 2019-20

The Balance Sheet, Income and Expenditures Account and Auditor's Report of the society for the financial year 2019-20 are attached at the end of the report. The following salient features are, however, worth noting:

9.1 **The total receipts** from various sources during the financial year 2019-20 were ₹ 1,19,28,033 as compared to that of the previous year of ₹ 99,15,060 (HIS grace) as per details given below:

		(In Rupees)
A. <u>Contributions:</u>		Total
	Inland:	77,82,211
	Overseas:	<u>11,63,574</u>
	Total:	89,45,785
B. Interest Income :		
	Received (Saving Accounts):	22,036
	Received on FD's with Banks:	28,38,928
c. Income Tax Refund		1,06,336
D. Miscellaneous		14,948
Grand Total		1,19,28,033

9.2 **Fixed assets:** During current financial year 2019-20, following capital expenditures on Fixed Assets were made:

S.No	Item	Amount (in rupees)
01	Building	4,66,653
02	Canteen Building under construction	8,29,457
03	Furniture & Fixtures	62,157
04	Office Equipment	6,050
05	Sports equipment	27,562
06	Computer	45,000
07	LCD Projector	31,800
	<b>Total</b>	<b>14,68,679</b>

As per Income Tax Act, **the depreciation on fixed assets** of ₹ 18,30,229 has been provided in the Balance Sheet for the financial year 2019-20.

9.3 **Investment in safe instruments:** As on 31-3-2020, the total investment of the society in safe instruments is including cumulative accrued Interest thereon, as per details given in the table:

Investment Instrument	Principal Amount invested (Rs.)	Interest Accrued (Cumulative in Rs.)
Fixed deposit with State Bank Of India, Yamuna Nagar	2,56,107	19,965
Fixed deposit with DCB bank, Yamuna Nagar	3,27,58,344	1,37,418
Total	3,30,14,451	1,57,418

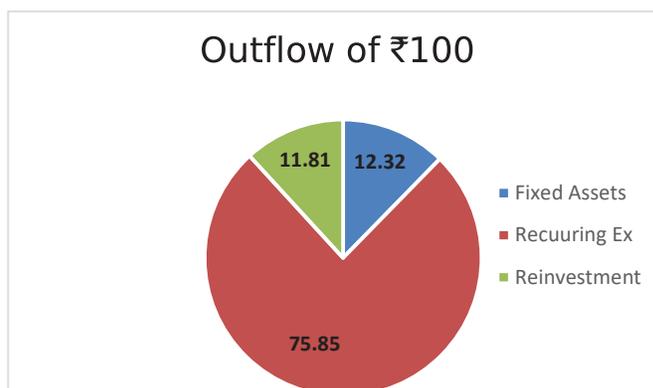

**Grand total:** ₹ 3,31,71,869

Saving accounts holdings as on 31-03-2020: ₹ 17,08,217

9.4 **The recurring expenditures** in the current financial year were ₹25,16,259 (Hospital) plus ₹65,34,037 (School), a total of ₹ 90,50,296

9.5 **Utilisation of a Rupee** in the current financial year:

Capital : ₹1468679  
 Recurring ₹9050296  
 Reinvestment: ₹1409058

## 9.6 Flow of Funds:

### a) Inflow of Funds:

A comparative data of the last 3 yrs of Income of the society is tabulated below:

Financial Year	Contributions received during the year			Bank Interest & other	Total Income
	Inland	Overseas	Total		
1	2	3	4=(2+3)	5	6=(4+5)
2017-18	₹81,07,894	₹7,22,290	₹88,30,184	₹21,99,329	₹1,10,29,513
2018-19	₹68,44,104	₹7,78,746	₹76,22,850	₹22,92,210	₹99,15,060

## **10.ACKNOWLEDGEMENTS**

First and foremost, the members of the society, most humbly, surrender at the Lotus Feet of Bhagawan Sri Sathya Sai Baba and convey their sincere thanks and gratitude to the loving Lord for His gift of Sri Sathya Sai Gramin Jagriti to this part of the country, thus giving all of us an opportunity to evolve ourselves by working in His mission. Thank you, Swami!

Next, the beneficiaries, the rural population of Darwa, Darwa Majri and Parwalon villages and many patients/students coming from far off and near places, deserve our sincere thanks for giving us the opportunity of serving them. We pray to Swami to pardon our shortcomings in discharging our duties and to help us to improve ourselves in our day to day working.

We feel specially obliged to CA Ravinder Agarwal and his team for auditing the accounts of the society and preparing the income/expenditure reports and signing the audit report without charging any fees.

The following institutions/persons have been helping the society selflessly in carrying out the various activities:

M/S Sita Ram Jindal Foundation (New Delhi) is contributing regularly for the project. Our gratitude and thanks are due to this highly esteemed organisation.

Balraj Gupta foundation has been contributing to create/upgrade the various infrastructures, like the independent generator set, solar power plant, extension of Balraj Gupta Assembly Hall etc., in the school on regular basis. We appreciate and convey our sincere thanks to the management of Balraj Gupta foundation.

Dr Dinesh Bhugra, Ms Anita Wadhwan, Gurjit Nandra, Veena Bhamra, Sameera Mavi, Rajinder Mavi, Amarjit and Susan Dhindsa , Anita, Sukhjinder Kaur and Bany & Hardip Sandhu are regular donors from UK. The society appreciates their act of charity. Some of them have adopted economically weaker children of our school. God bless them all! Interestingly, Dr Dinesh, Professor Emeritus of Psychiatry in Kings Medical College London (UK) belongs to Yamuna Nagar. Ms Anita Wadhawan contributes to the funds of Sai Jagriti regularly in everlasting memory of her departed mother.

Dr. Arun Gupta and Dr. AVS Ravi helped us in treating our Paediatric patients and monitoring the health of our school students by screening them clinically in the school biannually, coinciding with Eshwamma Day and Baba's birthday. Dr Parveen Garg deserves our special thanks for sparing much of his valuable time from his very busy schedule to offer free medical consultation fortnightly on Tuesdays in the afternoon session. Dr. Romesh Aggarwal was available for Dental clinic in the Sadan round the year. He carried out regular dental health check-up of all the students in the school twice in a year. Thank you doctors!

Our special thanks are due to Dr Raghav Gupta (a young and energetic Ophthalmologist), Optometrist Shri Gandhi and coordinator Shri Tarun Verma for organising eye-check up camp for the school students.

We are grateful to M/S Kamal Encon Industries (KEI) Limited Yamuna Nagar and M/S Polyplastic (I) Pvt Ltd Yamuna Nagar for their logistic support 24X7. From KEI, Shri Ajay Kumar was our trouble shooter for software and net connectivity problems. Shri Sudhir Gupta, Shri Sukhvinder Singh and Mr Deepak maintained the account books of the society meticulously. Shri Raman Kumar looked after the ESIC and EPF accounts of the society. Shri Rishi Pal was the electrician available for fault repair in Generator system etc. From M/S Polyplastics (I) Pvt. Ltd, it was the whole team lead by Shri Miglani jee which provided maintenance of the infra structure of the Sadan. Shri Ashok Kakkar was very sincere in electricity faults repair jobs whole heartedly and the two carpenters, Shri Ram Nath & Shri Rajbeer handled the maintenance work in the project relentlessly. All these gentlemen deserve our deep appreciation.

Besides this, there is a long list of regular contributors inspired by Bhagawan Baba who are contributing generously to the funds of the society. The society feels indebted to each one of them. It would not have been possible to run the activities of the society without their selfless help. Even the prayer of many well-wishers is helping the mission to grow (at subtle level) vertically and horizontally.

Mrs J.N.Bakshi, the Director of Sri Sathya Sai Jagriti Vidya Mandir, deserves our special thanks and appreciation for meticulous proof reading of this report.

Last but not the least, we are grateful to all those who are critical and sceptical of our work in Sai mission. It is because of them that we have been improving and making our convictions stronger day by day.

**“The END is not the end. In fact, E.N.D means Efforts Never Die”**

-Dr APJ Abdul Kalam

### Annexure I

#### Summary of activities under **SRI SATHYA SAI VIDYA VAHINI MOVEMENT**

What is the use of education that does not benefit society?" – Baba

**The Vision of Sri Sathya Sai Vidya Vahini:** 'To be a seamless, synergistic, safe medium for nurturing and sharing knowledge by harnessing the power of collaborative ideas, people and technology for the welfare of humanity.'

**Objectives of Sri Sathya Sai Vidya Vahini:** Sri Sathya Sai Vidya Vahini is an open-ended project to harness technology as the key enabler to replicate on a national scale, the success of the model of Integral Education - combining value based education with academic excellence - followed at the university and schools founded by Bhagawan Sri Sathya Sai Baba; and create a generation of well-qualified young men and women, who are filled with a burning desire to serve the motherland, a keen sense of integrity, empathy for their brethren and a serene spiritual discipline.

#### **Guiding principles:**

1. To make 'Human Value Based Secular Information' available free to rural children.
2. To use technology to facilitate greater percolation of educational initiative.

#### **EHV WORKSHOP AT DHARAMSHETRA, MUMBAI (24<sup>th</sup> December 2019**

**– 1<sup>st</sup> JAN 2020)**

- Devotion comes and goes, Transformation stays forever.
- Bhajan and EHV connect one with Oneself
- In the depth of silence, the voice of God is heard.

- Learning and experience go side by side.
- Turn every holiday into a holy day.
- Practicability and philosophy can only be managed by teachers.
- Festivals and functions play a vital role to bring human excellence.
- God is a seed.
- Guidance and counselling.
- Personal Sadhana should be the priority in Sai mission.
- Wellness program. (if 'I' is replaced by 'WE' illness becomes wellness)

The above-mentioned highlights were very intensely emphasized upon for better understanding of the participants to bring excellence in every field of education.

This EHV workshop was specially a reunion for the Diploma holders in Sai Educare to regain the momentum of Sai philosophy in the society.

It was emphasized by the All India President also to conduct EHV workshops for three days in other schools. Three days module was prepared which consists of Common minimum program that further includes: -Morning prayer, silent sitting, Good Parenting, value games, five teaching techniques, human excellence, environmental excellence, academic excellence and so much more.

All these topics were taken by very experienced scholars of Sai. They empowered all of us and made us dive deep into the ocean of Sai philosophy and experience it simultaneously.

Naam Smaran, meditation, positivity, harmony of thought, word and deed were the main divine food ingredients served to us every day.

They beautifully explained the meaning of Be Do and Tell combining them with Sathyam Shivam Sundaram.

Sathyam- teach the content with truthfulness.

Shivam- correlate your teaching from your experiences.

Sundaram- teaches with enthusiasm and enjoy.

One of the sessions conducted every day was the Question Answer session with the resource persons and also the participants were free to share their experiences of their respective schools.

In the nutshell, the positive energy was flowing from all around in Dharamshetra. Especially the contribution of Dr. B G Pitre was commendable; He synergized us with his Divine intension and divine connection.

It was committed at the lotus feet of Lord Sai to improve upon ourselves by learning and experiencing then share the knowledge in the society.

### **Activities under Sri Sathya Sai Vidya Vahini programme**

3rd June 2019: A one day workshop on 'Art of questioning' and 'Use of Seven assets of teaching' was conducted at D. C. Model school Panchkula (in the beginning of summer holidays) It was attended by Mrs. Kusum Lata and Mrs. Vandana Saini. All the teachers of our school were benefited.

On 5th July 2019: one more workshop was organised by Sh. B B. Gupta at D. C. Model school Panchukla to train the teachers to work efficiently on computer. The workshop was attended by Mrs Santosh Sharma, Mrs. Neelam Bakshi, Mrs. Himani Sharma, Mrs.Meenu Rani, Mrs.Priti, Mrs.Santosh Yadav, Mrs.Kusum Mehta and Mrs. Ranjana Pahuja. This workshop was quite fruitful and interesting for them.

## Annexure II. **Ancillary Activities**

### Shala Pravesh Ceremony (1<sup>st</sup> April,2019)

“Shala pravesh” ceremony took place in Sri Sthya Sai jagriti Vidya Mandir, Darwa with sacred performance of Hawan. The Ved mantras chanted by respected Pandit Ji purified and filled the whole atmosphere with vibrant feel and fragrance. The new session 2019-20 started with more commitments and innovative ideas. The students from IV to X class, members from Sai sewa sadan and the teaching and non-teaching staff of the school attended the ceremony whole heartedly. All paid their obeisance at the Lotus feet of Lord Sai and prayed to gain more strength & dedication to spread His pristine glory. The programme ended at 11:30 a.m. with Mangal Aarti followed by Prasadam.

### **World Health Day (07<sup>th</sup> April, 2019)**

“The greatest wealth is health”. World Health Day is observed on 7<sup>th</sup> April every year. This year campaign was “Universal Health Coverage – everyone everywhere”. World Health Day was celebrated to make the students aware about importance of good health. The programme started with a poem “Swasth bane ham, Swasth rahe ham”, two videos were shown regarding how to maintain health and keep fit throughout life. One of our teachers spoke on good eating habits and positivity of life which is also very important to remain healthy. The children listened very attentively and were quite inspired to take care of their health.

### **World Heritage Day (18<sup>th</sup> April, 2019)**

World Heritage Day was observed on 18<sup>th</sup> April 2019. Morning assembly was conducted in school hall. During zero period, beautiful video of Monuments of India were shown to the students followed by speech by Mrs. Meenu Madam. She explained that how to protect the monuments and also, she told the students the importance of our rich Heritage and Culture.

### **Earth Day (22<sup>th</sup> April 2019)**

Earth Day Celebrations: The theme of the morning assembly was the Earth Day celebrations. The topic of the paper reading was ‘How to protect the different species of animals. Mrs. Kusum Lata and Mrs. Himani Sharma highlighted the important features regarding the protection of plants, cleanliness of the school and also the personal hygiene. The poster making

competition on the topic 'SAVE EARTH' was conducted on Saturday, 20<sup>th</sup> April 2019. Best entries of the posters will be given prizes on Saturday.

**Bhagwan's Aaradhna Diwas** was observed on 24<sup>th</sup> April 2019 with Sarva Dharma Bhajans followed by videos. After the bhajan session, Aaradhna Song was sung melodiously by all the students and teachers. Director Mrs. J.N.Bakshi told the significance of the celebrations and inspired everyone to implement Bhagwan's teachings in their day to day lives to bring happiness, cool and calm composer in all situations of life. She also told them to develop the qualities of forgiveness and helpfulness selflessly. Two more wonderful videos - 'Barish ki Boonde, Dharati par Jaise.....' and 'Bhagwan kahan hai tu.....' were also shown. Everyone in the hall was totally absorbed in Divinity.

### **Eshwaramma weak (29<sup>th</sup> April 2019- 6<sup>th</sup> May 2019)**

To commemorate the celebrations of Maa Eshwaramma Day on 6<sup>th</sup> May, one week was observed for different presentations by the students. Every day's special words and thoughts during morning assembly was prepared by the students to highlight the role of mother in one's life.

30<sup>th</sup> April 2019: G.K. questions on the life of Mother Eshwaramma were asked to the students during morning assembly. Their response was good. Children were told the exact meaning of Punya Tithi. The Mothers of other great heroes were also highlighted.

1<sup>st</sup> May: poems on Mother's love were presented during morning assembly.

3<sup>rd</sup> May: Thorough medical check-up of all the students was done by well-known and established doctors. (Dr. Arun Gupta Child Specialist (M.D.), Dr. AVS Ravi Child Specialist (DCH) and Dr. Romesh Aggarwal (BDS)). Children were also instructed for the follow up. Dr. Romesh Aggarwal spent sufficient time to guide the students regarding their dental care.

4<sup>th</sup> May: A quiz on 'Women Empowerment' was conducted by Mr. Kawaldeep and Mrs. Kusum Lata. The quiz had six rounds (Identify the personality, eminent players and their field of sports, rapid fire round and voice recognition etc.).

6<sup>th</sup> May: the programme began with Sarv Dharam Bhajans followed by a small culture programme comprised of a medley, poems, speech and a

Nritya Natika 'Sai ki Beti'. A great tribute to Mother Eshwaramma was given by the students of X class by doing 'Matri Puja'. Everybody in the hall became very emotional. This pooja performance was appreciated by all. The programme ended with Shanti Path. Ladoo prasadam was given to all.

Seniors students escorted by their teachers went in groups to clean the temples in Shiv Mandir, Khera Mandir in Darwa and Darwa Majri, Ravidas Mandir and Devi Maa Mandir in Darwa. They came back by 12 noon.

**ID UL ZUHA:** Id ul Zuha was celebrated on 12<sup>th</sup> August 2019 after morning assembly. Miss Sazia and Muskansang the glory of Prophet Mohammed. One of our senior teachers delivered a speech on Sarvadhama and also interacted with the students.

**INDEPENDENCE DAY (15.08.2019):** -Independence Day was celebrated with full zeal and patriotic fervor. The Indian National Flag was unfurled by Miss Komal of 9<sup>th</sup> class, our National football champion followed by National anthem, Vande Matram and Sarva Dharam Bhajan. After Mangal Aarti, patriotic poems were recited by primary students and also short speeches on National integration were delivered by senior students. The program ended with the patriotic group song competition. Mr. Jatin from Natraj Dance and Film studio adjudged the program. He appreciated the talent of the students and gave them wonderful tips on Raag Taala and Bhava.

**KRISHAN JANAMASHTMI (23.08.2019):** Shri Krishan Janamashtmi was celebrated in SSJVM with full devotion. The tiny tots came in pairs like Radha and Krishna wearing colorful and vibrant clothes. Beautiful poems, Bhajans, speeches and quiz competition on Krishna Lilas were presented by the students. Center of attraction of the day was Nritya Natika competition based on Krishna Lila. The Judges Mrs Suman Kalra, Mrs Shashi Duggal and Miss Neelam Sayal were invited from Yamuna nagar Samiti. They were overwhelmed to see the program and appreciated all the participants. The program ended with Shanti Path.

Boys meditating under the Vat Variksha (PN) & the group girls in Hill View stadium

Flag Hoisting in the school and cultural programme on Independence

### **Different activities to commemorate Bhagawan Baba's 94<sup>th</sup> birthday celebrations**

In the series of celebration on the auspicious occasion of Bhagwan Sri Stahya Sai Baba's Birthday, different competitions were held during the month of October & November.

Ethics Quiz was conducted based on religious scriptures. Dharam house was declared the winner.

Poster Making Competition was held based on the writing of Swami's quotations.

Sports Activities & Value Games were organized on 15<sup>th</sup> November 2019. Hospital staff & School's teachers participated in this activity whole heartedly.

To make the students aware of the evils of the society & other burning issues an Inter School Declamation contest was held on 16<sup>th</sup> November 2019.

### Cultural bonanza on 23<sup>rd</sup> November, 2019

Dance performance  
by the Junior girls &  
boys.

Clean India, Green India:  
Reduce, Reuse & Recycle  
was the message  
enacted through Shadow  
play. Every individual was  
sensitized to understand  
the proverb ‘ Cleanliness  
is next to Godliness’.

Haryanvi Dance:  
Senior students  
singing the Glory of  
Haryana, its rich  
culture & civilization  
through a thrilling  
dance.

Prestigious Award Balraj Gupta Medal comprised of Gold Medal and a cash prize of Rs. 11000/- . Master Pradeep is feeling proud & honoured to receive this prize from Worthy Chief Guest Ms. Pooja Chanwaria and the President of our school Sh. Kamal Gupta Ji . All the members of Gupta Family are enjoying the happy moments .

Honorable Chief Guest Ms. Pooja Chanwaria SDM Jagadhari , highly appreciated the function and expressed that the items presented were well thread and unsurpassable. She spoke very high about the

management and education system running in the school. She expected from school to present Shadow play and Unity in Diversity Dance at State level. She poured her love for tiny tots like an excellent educator. We value her guidance & suggestions.

Vote of Thanks: Worthy President Sh. Kamal Gupta Ji thanked the Chief Guest Ms. Pooja Chanwaria SDM Jagadhari for her benign presence throughout the function . He also thanked all the dignitaries from Chandigarh, Panchkula, Gurugram , Yamuna Nagar & Ambala. He appreciated the function & congratulated the staff members & all the helping hand with thanks who served whole heartedly for the successful programme.

Director of the School Mrs. J.N.Bakshi also thanked one & all. She thanked the Chief Guest for sparing her valuable time to witness the programme and also she thanked the august gathering for their patience listening and witnessing the programme. She thanked all the teachers, students, supporting staff, all the helping hands from Polyplastic, Kamal Engineering, Hospital Staff

etc. because of whom the function was a great success. In the end she thanked beloved Swami for His guidance, Divine love and ever ending presence throughout the function.

Beloved Swami's  
Birthday cake

Ceremony : The mandir area in the Balraj Gupta Hall was aesthetically illuminated by lightening the 94 diyas near the beautifully decorated alter . A very fortunate boy Master Atul appeared in the guise of Swami, cut the cake & blessed one & all present in the auditorium. The programme ended with Mangal Aarti. Everyone was requested to take Langar Prasadam.

**CHRISTMAS DAY****(25.12.2019):** Day before

Christmas, all the students of the school sang Christmas carols during morning assembly. On 25<sup>th</sup>

Sarvadharam Bhajans were held in Sai Sadan followed by speech by Sanjana of class 9<sup>th</sup> and

a poem by Jhanvi of 2<sup>nd</sup> class. Christmas carols were sung by a group of girls. Two students appeared in disguise of Santa Claus singing Jingle Bell Jingle Bell Jingle all the way and distributing candies to everyone present. The whole atmosphere was filled with cheerfulness.
